

**ADD A POP OF COLOR**  
*to your event with our lighting packages!*

Color can set the mood and elevate the visual impact of any event. Our event lighting uses colored lights to transform any space, creating the romantic, beautiful or trendy atmosphere your event requires. Special effect lighting creates an overall ambiance and can be used to accent your head table, wedding cake, dance floor or any element of great importance during your event. Our lighting packages can make a big impression at an affordable price!
